Experience

4/2001- present Cornerstone Actuarial Solutions, LLC
Snellville, GA
Consulting Actuary

Provide loss reserve analyses and opinions, rate analyses and certifications, and other P&C actuarial consulting services to insurance companies, self insurance funds, municipalities and school boards.

1/1993-3/2001 Florida Insurance Department
Bureau of Property and Casualty Solvency and Market Conduct
Tallahassee, FL
Actuary

Independently calculate and analyze loss & LAE reserves for domestic property and casualty insurance companies and self insurance funds by reviewing financial statements, company data, and opining actuary reserve opinion and work papers and by performing own independent analysis in order to resolve any reconciliation problems, to ensure compliance with statutes, and to estimate reserve deficiencies, if any. Annually estimate loss & ALAE nominal and discounted reserves and future cash flows by line of business for the Florida Self Insurance Fund as well as analyzing the impact of managed care programs and provide written report to Division of Risk Management.

4/1991-1/1993 Florida Insurance Department
Bureau of Property and Casualty Forms and Rates
Tallahassee, FL
Actuary

Reviewed insurance company and rating organization rate filings and related legislation for commercial lines. Independently calculate and analyze loss & LAE reserves for medical malpractice self insurance funds.

Annual work on Florida Self Insurance Fund starting 7/91. See above for description.

1/1985-4/1991 Tillinghast/Towers Perrin
Jacksonville, FL
Consulting Actuary

Calculate loss & LAE reserve estimates, rates, pure premiums, risk margins, future funding levels, and future loss and income levels using a variety of statistical methods and models for self insurance entities and insurance companies.

6/1982-1/1985
Aetna Life and Casualty
Hartford, CT
Actuarial Analyst

Performed both rate and reserve analyses in the casualty personal lines division.
